

## Inject #2: Not Red Team

MAIL FROM: Team 1 "Club Penguin"  
RCPT TO: Circle for the Protection of Antarctica  
SUBJECT: Not Red Team

Hello Circle For The Protection of Antarctica,

We have created a domain administrator named "notreadteam1" with the requested password for all boxes. We have concerns about the weakness of the password requested, but have included it until further discussion has been inducted. Please reach out so we can try to introduce this user more securely, especially considering they are working remotely.

Regards,  
Team 1 "Club Penguin"
